April 8, 2019

Eric Hawley  
Chairman  
Burns Paiute Tribe  
100 Pasigo Street  
Burns, OR 97720

Dear Tribal Chairman Hawley:

Thank you for providing notification that the Burns Paiute Tribe has taken the actions necessary to participate in the Section 184 Indian Housing Loan Guarantee Program. The Resolution No. 2019-03 identifies the Tribe's interest in participating in the Section 184 Loan Program.

Accordingly, the Burns Paiute Tribe is approved to participate on reservation (tribal, allotted, fee restricted or fee simple land) as well as off reservation in the state of Oregon and all other states that have been deemed an operating area for the Section 184 Loan Program. Please see the attached map of the United States that shows operating areas for the 184 Loan Program.

The Section 184 loan is a mortgage that can be used to:

- Purchase an existing home
- Purchase and rehabilitate an existing home
- Rehabilitation of a home
- Refinance
- New construction (site built and/or manufacture/modular housing)

The loan process commences with an approved 184 Lender. The lender will provide specific details regarding interest rates, closing costs and other transaction details specific to the applicant's loan request.

The role of the tribe for on reservation loans include:

- Completing the land status and jurisdiction form (see attached). The purpose of the form is to verify the subject property is located on the reservation and confirm the land type (trust, allotted, fee or fee restricted)
- Approving and executing a mortgage lease for tribal trust land

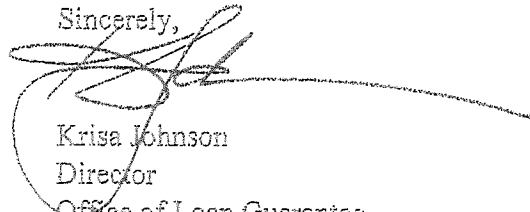

Additional roles of the tribe (although not mandatory) can include:

- Homebuyer counseling
- Down payment assistance
- Environmental assessment
- Infrastructure (on and off site)

The Tribe is instrumental and a medium to the tribal community. Therefore, it is important that the tribe understand the Section 184 Program and how it can provide housing and homeownership opportunities to the tribal members, the tribal housing authority and/or the tribe. At your convenience, we would like to schedule a one-hour conference call to address details of the 184-loan program. Accordingly, please contact Deanna Lucero, Sr. Loan Guarantee Specialist at [deanna.v.lucero@hud.gov](mailto:deanna.v.lucero@hud.gov) or (303) 675-1615 to schedule a telephone conference.

In advance, your support and interest of the 184 Loan Program is appreciated. Together, we can open the doors to homeownership in Indian Country.

Sincerely,

Krisa Johnson

On or about May 23, 2019, Harney County will submit a Request for Release of Funds (RROF) to the Oregon Business Development Department (OBDD) for the release of Community Development Block Grant (CDBG) funds under Title I of the Housing and Community Development Act of 1974 as amended, for its housing rehabilitation program. The purpose of Harney County's housing rehabilitation program is to use it to perform repair and rehabilitation of existing single-family, owner-occupied units located in various locations in Harney County. Annually, the program rehabilitates over 20 low- to-moderate-income homes with approximately \$295,000.00 of CDBG funds.

Specific locations of individual units to be rehabilitated cannot be determined prior to the completion of the Area-Wide Environmental Review and the RROF. For the housing rehabilitation activities proposed Harney County is using a Tiered Environmental Review format and process proposed under HUD Regulations for the National Environmental Policy Act at 24 CFR Part 58.15.

In this first tier, a broad area-wide statutory review of the housing rehabilitation program has identified laws and authorities that we have determined will not be triggered by the location of the rehab program. These laws include: Floodplain Management (24 CFR Part 55 and Executive Order 11988), The Coastal Zone Management Act of 1972, the Wild and Scenic Rivers Act of 1968, The Clean Air Act, The Farmland Protection Policy Act of 1981, The Environmental Justice Executive Order 12898, and The Explosive and Flammable Operations Standard (24 CFR Part 51C), Wetland Protection (Executive Order 11990), Sole Source Aquifers (The Safe Drinking Water Act, 40 CFR Part 149), The Endangered Species Act (50 CFR Part 402), Airport Clear Zones and Accident Potential Zones (24 CFR Part 51D)

In the second tier review, Harney County identified laws and authorities that must be analyzed with site-specific environmental review checklists for each property location. These laws include: Historic Preservation (36 CFR Part 800), Flood Disaster Protection Act of 1973, The Noise Abatement and Control Standard (24 CFR part 51B) and Toxic Chemicals and Radioactive Materials (24 CFR, Part 58.5(i)).

An Environmental Review Record (ERR) that documents the environmental determinations for this project, along with a copy of Burns/Hines/Harney County Residential Housing Rehabilitation Program policies and processes to be followed for site specific reviews, is on file, and may be examined or copied weekdays from 8:00 a.m. to 4:00 p.m. at: 450 North Buena Vista #5 in Burns, Oregon

**PUBLIC COMMENTS:** Any individual, group, or agency may submit written comments on the ERR to the Harney County Clerk/Recorder office. All comments received by May 22, 2019 will be considered by Harney County prior to submission of a request for release of funds.

**OBJECTIONS TO RELEASE OF FUNDS:** OBDD will accept an objections to its approval of the release of funds and the Harney County certification for a period of fifteen days following the anticipated submission date or actual receipt of the request for release of funds (whichever is later) only if they are on one of the following bases:

OBDD will accept objections to its Release of Funds only if they are based on one of the following:

- A. The certification was not executed by the Certifying Officer of Harney County.
- B. Harney County has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58.
- C. Harney County has committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by OBDD.
- D. Another federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.

Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and shall be addressed to OBDD at 775 Summer Street NE, Suite 200, Salem, OR 97301-1280. Objections to the release of funds on bases other than those stated above will not be considered by OBDD.

Potential objectors should contact OBDD to verify the actual last day of the objection period. It is estimated that any objection received after June 12, 2019 will not be considered by OBDD.
